Plans Progress To Hold Program For Museum Opening

It was announced at the meeting of the committee in charge of the program marking the dedication of the new Emigrant Trail Museum at Donner Memorial State Park on September 8 and 9 that most of the prominent people invited to participate in the affair will be present.

Cecil Edmunds, in charge of invitations, said that among others responding favorably to the bid to participate were Congressman H. T. Johnson, State Senator Ronald H. Cameron, Assemblyman Paul Lunardi, George Stewart, author and historian and a number of other state officials.

Governor Edmund Brown has indicated he will be present as has Stewart Udall, secretary of the interior, although both could not give a definite answer until early next month.

N. F. Dolley, manager of the Truckee Donner Chamber of Commerce, sponsor with the Truckee Donner Horsemen of the dedication services, appointed a reception committee comprising Cecil Edmunds, Walter Barrett, Gladys Dolley, Pat Tonini and Jack Stowe, all of Truckee and Mel Whitaker and Clyde Newlin of the department of beaches and parks.

Members of the Horsemen, headed by Chairman James Sampson, attended the meeting and announced the progress being made for staging the wagon train from Reno on September 6 to join the parade and dedication ceremonies for two days later. A public breakfast at the Alder Creek camp on the morning of September 8 will highlight the Horsemen's program locally and will immediately precede the train joining the parade and other festivities of the celebration.

Chambers of commerce throughout northern California have volunteered assistance in the program. Other historical organizations have also offered all possible aid. These include the Kit Carson Mountain Men of Amador County, the Clampers, the Placer County Chamber and others.

Daven Morey was chosen as head of the street dance committee for Saturday, September 8 and Dr. H. P. Tapia of Truckee and Hillis Hubbard of Grass Valley, were named to head the parade committee. A member of the Horsemen will be named on this important group later.

Parking arrangements are being worked out and Dolley said buses would be engaged to transport people to the park for the services.

Several bands, including an Indian band from Nevada, the Clampers and a local group headed by Richard Small and if possible a military band, will provide music for the occasion.

Official programs are being prepared by both the Horsemen and the chamber and will be distributed.

Whitaker said the tentative programs have been published in the quarterly publication of the various historical organizations.

The next meeting of the committee will be held Friday, July 27, Dolley said, to complete details of the program.

GRASS VALLEY WINS LOCAL GOLF MATCH

Mike Popovich and Tom Ellery of the Ponderosa Golf Club shot low gross scores of 76 last Sunday but it wasn't enough as the Grass Valley Country Club defeated the local club, 26-17 on the Ponderosa Golf Course.

The tournament saw over 50 men participate and some 25 women golfers. Bob Moore, Angelo Besio, and Karl Kielhofer tied for low net honors for the Ponderosa Club with 66 apiece of the 70-par course. Betty Kielhofer took the honors for Truckee women with a low gross score of 48. Liz Carroll of the Ponderosa shot the low net.

Karl Kielhofer nad Tom Ellery won the best-ball twosome division with a 65. Al Schell and Angelo Besio were second on the Ponderosa Club with a 66.

Following the meet, a giant steak barbecue was enjoyed by all participants and many spectators on the golf course picnic grounds. Golf balls were awarded to the various category winners during the picnic.

LITTLE LEAGUERS TO BE GUESTS OF GIANTS

Truckee-Donner Little Leaguers will be guests of the San Francisco Giants at a game with Milwaukee on August 30, Manager Richard Higgins announced. Plans are to take 45 boys and nine adults on a chartered bus and spend the day in San Francisco. Higgins said the cost would be approximately $300 for expenses.

Householders in Michigan—

Mr. and Mrs. William Householder and family who lived at Donner Lake are now living in Michigan via Panama. Householder is a brother of Mrs. Charley Farrar of Donner Lake.

Historic Items For New Museum Are Asked By Officials

With the Emigrant Trail Museum at Donner Memorial State Park nearing completion, state park officials are anxious to begin preparation of historic exhibits which will be housed in the beautiful new structure and which will be indicative of the region's past.

Jack Dyson and Allen Delts of the historic and interpretative services of the division of beaches and parks, were here this week conferring with Park Superintendent Jack Stowe relative to procuring specimens for the exhibits.

Since the exhibits will depict the complete history of the area from geological findings to the present time, the choice of items desired can be extensively varied.

Particularly desired are ancient photos which can be reprocessed or items related to lumbering, mining, ice harvest, wagon trains, railroading and other industries associated with the history of the region.

Anyone having items of this kind are asked to contact Stowe at Donner State Park. They will be returned to the owner if desired, or kept on permanent display at the museum.

County Tax Rate Slated For Boost

On the basis of a final budget report presented to the board of supervisors Monday, Nevada County taxpayers face an increase of 16 cents to bring the basic rate for the coming fiscal year to $2.36.

According to a summary of revenues other than current taxes, plus the summary available balances, it appears that approximately $1,030,497.97 must be raised on the $2.36 rate.

The preliminary budget was approved for $3,680,146, but there were some additions and atlerations made at Monday's meeting which were not included in the tentative budget. Available revenues total $2,649,648.03, leaving the balance to come from taxes.

Local district taxes are expected to bring the total rate in the Truckee area to more than $6.00

FIRE DESTROYS HOME IN DONNER LAKE AREA

Residents of the Truckee district of the Tahoe National Forest are again being urged by forest service officials to exercise extreme caution in overloading electrical wiring or using large fuses.

The warning came from Orvin Haugen, fire prevention technician with the forest service following a fire at the west end of Donner Lake Friday afternoon about 3 o'clock which gutted the summer home of Mr. and Mrs. Dean Lockwood.

The fire was fought by the Donner Lake Volunteer Fire Department and forest service suppression crew and it was confined to the interior of the structure where many personal belongings, records and valuables were destroyed. Lockwood said the loss was partly covered by insurance.

LOCAL SPEEDSTERS HOLD LEAD IN RACES

Truckee speedsters continued to maintain their lead in the Reno hardtop races Saturday although Harry Causey again failed to take his customary first place in the main event, but did turn in the fastest time.

Les Androvis was third in the fast time with George Davis, fifth.

In the third heat, Red Harris was first and Ron Gautsche second while Causey was first in the fourth heat and Androvis was third.

Gautsche captured the trophy dash and George Davis was third in the main event.

MRS. TUCKER FETED AT STORK LUNCHEON

Mrs. Del Tucker was feted at a surprise luncheon at the Donner Lake home of Mrs. Walter Jellin, the guest of honor was presented with gifts at the stork shower. Shades of pink and blue were chosen for the party decor.

Guests included Mesdames Charles Fink, E. A. Atkinson, Robert Horton, Oroville Duncan, T. Kleiber, Ron Gautsche, Lorrin Ferdinand, Robert Leamon.

Dedication Plans Made For Opening New Tahoe Road

KINGS BEACH—Plans for dedication and ribbon cutting ceremonies Friday, July 27, for the recently completed North Lake Tahoe Highway 28 were announced today by the Lake Tahoe-Sierra Chamber of Commerce. Ceremonies will be held on the four lane section of roadway between Tahoe Vista and Kings Beach in full view of "The Lake of the Sky."

The Chamber Manager Fred Schultz said that he has invited state officials of the department of public works and division of highways, Legislators Paul Lunardi and Ronald Cameron and civic and business leaders of the north shore. In addition Schultz said that a program including some of the famous entertainers appearing on the north shore of Lake Tahoe was planned.

He added that as soon as confirmations were received the program could be released.

"We want a special dedication for a special roadway," Schultz continued, "since we feel we have the most beautiful scenery for a tourist here at North Lake Tahoe, we would like to show it to as many people as possible," he added.

The tentative program includes a parade tour of the roadway. Anyone may enter any type of vehicle, Schultz said, from a horse to antique car, buggy or wagon, jeep or modern auto. Decorations would not be required on such short notice, he added, but we certainly hope many people interested in the conclusion of this construction project will call the chamber office and enter the parade.

Also included for the first time at a roadway dedication will be closed circuit television from the dedication site to other local points.

Local Men Chosen For County Group

The names of Dr. H. P. Tapia, Francis Longo, Lyle Hubbard, Cecil Edmunds and Paul Van Vliet have been proposed by the Truckee Donner Chamber of Commerce for appointment to the Nevada County committee to make an economic and development survey of the county, Chamber President Richard Higgins announced.

Five members from each of the supervisorial districts of the county will be appointed by the board of supervisors to conduct the survey. Supervisor H. G. Loehr will make the appointment from this district.

APPEAL MADE FOR LITTLE LEAGUE AID

Boys of the Truckee-Donner Little League minor teams will not be able to continue to exchange games with the correspondnig teams at Tahoe City and Kings Beach unless the parents of the local youngsters furnish transportation to and from the games, their coach Babette Haueisen announced.

Between 20 and 25 parents are asked to call the coach at LU 7-3173 for the required travel schedule of the season.

WELFARE OFFICER HERE ON JULY 24TH

SPECIAL MEETING

The special meeting of the board of directors of the Truckee Public Utility District, scheduled for July 16 has been delayed until Thursday, July 26 at 8 p. m. in the offices of the district, Manager Francis Longo announced.

Former Local Girl Killed In Mishap Near Sacramento

Mr. and Mrs. J. E. Kaler of Sacramento who are spending the summer at their local home received the tragic news of the untimely death on Monday of her grand niece, Mrs. Mava Lee Burk, age 35 years who was fatally injured in a car and dump truck collision at Sacramento. Her vehicle was demolished and the truck, filled with gravel, overturned.

Mrs. Burk was reared here, the daughter of the late Floyd Thomas and Mrs. Margaret Laughlin of San Francisco. Her husband William Burk and five year old son, William, of Sacramento and her grandfather, Frank Kearney of Rocklin and a member of a Truckee pioneer family are among the survivors.

The deceased woman's father was also killed 15 years ago in a logging truck accident.

Airport Dedication Set September 30

Directors of the Truckee Tahoe Airport District meeting Tuesday night set Sunday, September 30 as the date for the dedication of the new airport near Truckee.

Several proposals for a fixed base operator were received, given consideration and referred to Leigh Fisher Associates, the district's management advisors.

It is planned to make the dedication a gala event.

Junior Outboard Regattas Planned

TAHOE CITY — Ralph Peer, II, co-chairman of the junior outboard regatta committee for the Tahoe Yacht Club, announces that two junior outboard regattas will be held at Lake Tahoe this summer and are open to all who wish to enter and fall within the age limits.

The classes include 7½ HP and under for children 13 and under, B Class hydroplanes, Class B utilities and several classes of runabouts that cover the entire horsepower range.

All races are for drivers 20 years of age or under, except where noted.

The first regatta will be held at the Sierra Boat Company on Sunday, July 22 and the second at Obexer's Boat and Motor Sales on August 12. Both events will start at 9:30 a. m. but entrants should be on hand before 9:15 in order to register. Entry fee is $1.

Last Rites Are Held For North Lake Man

KINGS BEACH — Friends throughout this area were shocked to learn of the death of Gilmore Johnson, 56, for many years a resident of Kings Beach and owner of Gil's Patio Cafe before he left for Alhambra where he managed a surgical supply industry.

Funeral services were held at Alhambra Friday. Johnson had not been in good health.

Surviving are his wife, Ilena, who operates a gift shop here, a son, Timothy and a daughter, Joanne. There are three brothers, Verner, Clifford and Milton all of southern California.

BRANAGH MOTOR IS STOLEN AT TAHOE

Supervisor Henry Branagh of the Tahoe National Forest lost a 30 horse power motor and starter to thieves last week while his boat was anchored off the Kaspian Park at Lake Tahoe. The boat had been anchored to a buoy some distance from shore but was missing the following morning.

CAT BITE SENDS BEE SCRIBE TO HOSPITAL

Al Trivelpiece, veteran Sacramento Bee correspondent at Nevada City, was treated in Miners Hospital for infection in one arm, resulting from a bite by his pet cat "Sam."

"Sam" had been in a fight and Trivelpiece and his wife were attempting to treat the animal when it suddenly bit him.

Tahoe Man Killed, Wife Is Injured, In Tragic Accident

KINGS BEACH—A tragic automobile accident just east of Crystal Bay at 10:30 p. m. Tuesday snuffed out the life of Richard E. Anderson, 31, popular resident of this area for the past eight years and former Washoe County deputy sheriff, and critically injured his wife, Toni.

Funeral services will be held Saturday at 11 a. m. at the Ross-Burke Chapel in Reno with interment in the veterans' plot at Mountain View Cemetery.

Mrs. Anderson told investigators that her husband was forced off the highway near where Eugene's Chalet once stood. The car crashed into the tree and Anderson was believed killed instantly. His wife was taken to the Tahoe Carson Hospital. They had been married only three months and were preparing to move into their new home at Incline Village this week.

Anderson was born in Porterville April 5, 1931 and was a four-year veteran of the U. S. Navy.

Besides his wife, the deceased is survived by four children residing in Buffalo, New York; his parents, Mr. and Mrs. J. D. Anderson of Tahoe Vista and a sister, Patricia Jean Thompson of Hayward.

Sympathy of the entire community is extended to the family.

Water Ski Show Is Planned Aug. 4-5

TAHOE CITY—Preparations are going forward for the holding of the 10th annual Water Ski Carnival, sponsored by the Tahoe Yacht Club to be held at Chambers Lodge, Saturday and Sunday, August 4 and 5. Michael A. Brown is chairman of this big annual event.

The slalom races will start at 8:30 a. m. August 4 and continue to 1 p. m.

On Sunday at 9 a. m. the tricks, exhibitions and final races will be held until 1 p. m. Trophies for winners will be on display at Chambers and will be awarded immediately after the last event.

Donner Lake May Have Post Office During Next Year

That Donner Lake may soon have its own branch post office was indicated this week when Postmaster Richard Higgins announced he had received a letter from the regional director at San Francisco advising that the extended service would be included in a request for the 1963 fiscal year budget.

The service, resulting from petitions presented by scores of residents at Donner Lake, would be subject to bids and will provide box service, money orders and stamps. The successful bidder will be required to provide the building and all equipment with the exception of the necessary handling equipment.

The Donner Lake office would be a branch of the Truckee office with Higgins in charge but with services provided by the successful bidder.

Residents of the area have been trying for a number of years to establish a branch office at the lake and during the past year have circulated petitions throughout the area requesting the post office department to take action.

Candidates Named In Queen Contest

Six candidates for Wagon Train Queen were named this week, one to be selected to reign during the Donner Memorial Wagon Train, scheduled for September 7-9.

The young women to be presented at the Monday, July 23 meeting of the Truckee Donner Horsemen at 7:30 p. m. at Martis Valley Stables include: Deana Gill, Kay Denner, Carol McKinley, Bonnie Briggs, Jacqueline Beale, Julie Wyman. One more candidate name may be submitted before July 31 by contacting Gene Stark, head of the committee in charge or Mrs. John Boren, who was named secretary of the organization this week.

All members and other interested persons are urged to be present at the Monday evening meeting.

DISTRICT GOVERNOR TO VISIT TAHOE CLUB

CRYSTAL BAY—L. A. Berglagna, district governor of Rotary District 519, will visit the North Lake Tahoe Rotary Club, August 6. This announcement was made at the club meeting Monday by Tom Sutton, club president.

Berlagna's visit will be his official assembly with the club and it is the earliest in a Rotary year that any governor has scheduled an official visit. Sutton told members that this early start should allow Rotarians to be of additional service through the functions of their committees; to the community and throughout the Rotary field.

Monday's program for the club was chairmaned by Roy Porath. He presented a "March of Dimes" film about the new Salk Research Facility in San Diego.

S.P. WILL CURTAIL OVERLAND LIMITED

Following approval by the Interstate Commerce Commission, the Southern Pacific Railroad has announced curtailment of its historic Overland passenger train.

Commencing Monday, the Overland will run between San Francisco and Ogden only from June 14 to Labor Day and from December 22 to January 2.

The ICC also approved a schedule change permitting the Overland to be dovetailed with the City of San Francisco so that better connections can be made with trans eastbound from Ogden.

The Overland operated between San Francisco and Chicago from 1899 until 1955, when it was changed to San Francisco-St. Louis. Since 1960 its run has ended at Ogden.

FAMILY UNITED

A reunion of the Francis Longo family has been taking place this week with the arrival of Mr. and Mrs. P. A. Adams and daughters, Cathy, Anna and Helen from Cincinnati, Ohio, son-in-law and daughter of Mr. and Mrs. Longo. They joined the local couple's son and daughter-in-law, Mr. and Mrs. Phil Longo and their two sons of southern California to exchange family news.

Voters Turn Down Hospital Bonds In Tuesday Balloting

Following a trend which has developed throughtout the state during the past two years, voters of the Tahoe Forest Hospital District Tuesday turned thumbs down on a proposed $950,000 bond issue.

The vote was very light considering the importance of the issue, with only 671 balloting. Of these, 380 voted yes and 291 no, leaving the count 68 votes short of the required two-thirds majority.

The loss was general in all four consolidated precincts, according to the unofficial count, with none giving approval to the proposition. In Truckee, 287 voted, with 189 approving and 98 against. In Tahoe City, 211 votes were cast, 133 favoring and 78 voting no, while at Kings Beach 33 voted yes and 89 no for a total of 122, and at Soda Springs, the vote was even with 25 yes and 26 for a total of 51.

It has been noted that during the past two years, the trend has been against bond issues, regardless of their merits. This would indicate a rebellion on the part of taxpayers against rising taxes and increased assessments, observers believe.

While defeat of the bond issue means that the local hospital must forego plans for increasing facilities, Administrator J. J. McGlade explained that the board is now faced with a problem of financing requirements demanded by the state fire marshal's office and the state bureau of hospitals.

Traffic Here Tops Record For Month

Truckee continued to top all other border quarantine stations as a port of entry into California last month when 165,474 cars, 4,774 trucks and 1.078 buses, with 423,055 passengers checked, the monthly report from the department of agriculture reveals.

This was an increase over the May record of 113,282 cars of 50,192 cars and was 57,198 cars ahead of June, 1961 when 106,276 cars were inspected.

The Meyers station on Highway 50 last month checked 45,478 cars, 191 trucks and 84 buses. This marked an increase of 17,161 over the number of cars checked in May, but was short of the 47,865 cars checked there in June last year.

DOUBLE HEADER TO BE SUNDAY FEATURE

The Tahoe Truckee Mountaineers will return to action in the Sierra Nevada semi-professional baseball league this Sunday at the local ball park when they host the Lovelock Merchants in a doubleheader.

The first game will start at 10 a. m. with the afternoon contest starting near 2 p. m. The first contest is the replay of a tilt held earlier in the season at Lovelock. The match was called at the end of five innings with the score knotted at 5-5 because of a rainstorm.

TERRY BECK NAMED QUEEN CANDIDATE

Terry Beck of Truckee was chosen as one of the seven finalists who will compete in the junior chamber of commerce sponsored competition for the title of Miss Nevada County on July 28.

The winner will reign over the Nevada County Fair August 23 to 26 and will represent the county in the state competition. The finalists were named Saturday in the preliminary judging.

Others in the finals are Sherrie Baker, Jeanette Crowder, Gail Hoffman. Jan Lewis and Jo Anne Jenkins of Grass Valley and Valencia Roxalli of Nevada City.

BOYS ARE ARRESTED FOR STEALING AUTO

A short time after it was stolen from the parking lot at the Ponderosa Golf Club Sunday, a car belonging to Ronald Silva of Truckee was recovered at Placerville and two Nevada boys, aged 14 years, were taken into custody.

The boys, who had run away from home, are charged with stealing a car at Sparks which they abandoned in Truckee. Later they went to the golf course where they took the Silva vehicle.

DRIVER SENTENCED IN TRUCKEE COURT

Martin O. Myrick, 46, Fresno, was fined $386 and sentenced by Judge F. W. Wilson to spend five days in jail following his conviction on a drunk driving charge. He was arrested by Patrolman Martin Sturcke of the California Highway Patrol.

J. C. Domergue, your Telephone Manager in Tahoe City

FOR THE FASTEST LONG DISTANT SERVICE—USE LONG DISTANT DIALING.

In the Truckee, Brockway and Tahoe City Area's just Dial 1, the Area Code if needed, and then the phone number. In matter of seconds you can be talking to your friends and loved ones—no matter how far away they may be

Safety's always been in style at Pacific Telephone, and today that style features a belt in front. They're the seat belts we've installed in company vehicles—designed not to keep telephone people in fashion, but to keep them in place.

For our safety philosophy is based on the wise old saying, "an ounce of prevention is better than a pound of cure." While seat belts can't prevent accidents, they can help prevent serious injury should an accident happen.

Matter of fact, telephone people have found this safety idea such a good one, many are installing seat belts in their own cars.

A handy item for traveling is a Bell System credit card. With it, you can make long distance calls when you're away and have them charged to your own telephone number. You simply give the operator the information shown on your credit card.

Another handy feature of the credit card is a cut-out slot that can hold a dime so you'll always have one ready for a coin booth. Your telephone business office will be glad to tell you more about these convenient credit cards.

House Numbering At Tahoe Approved

A Lake Tahoe street and road address numbering project was given a green light last week as the Placer County board of supervisors adopted a county ordinance authorizing a property numbering system for the unincorporated areas of the county.

Upon receiving the nod from the supervisors, a group of volunteer workers in the Tahoe basin will begin to plot street numbers on maps and filling out notices to be mailed to persons owning buildings and homes in the Tahoe area, advising them of their new house numbers.

Supervisor Chairman William S. Briner said, that under the new ordinance, numbering the Placer County portion of the Tahoe basin will begin at the Y in Tahoe City. Numbers will be assigned in ascending order toward the Nevada state line and south toward the El Dorado County line. Numbers will also increase from Tahoe City northerly along Highway 89 to the Placer County line near Truckee.

Under the new system, designed by the county planning department, individual house numbers will have, at maximum, four digits.

County Planning Director Justin F. Farber said that residents of the area should remember the following points:

1. The ordinance requires the display of the house nmber within 30 days after receiving notice of the assigned number.

2. No house numbers will be available immediately, inasmuch as the volunteer groups, under the direction of local fire chiefs, have to prepare the maps and notices.

3. The new number system is not a legal description of property and must not be confused with the numbering system used by the county assessor.

In the future, as new buildings aer erected, the owner will be supplied with his new number and requested to post this on the property as soon as the building is ready for occupancy.

When completely installed the system will facilitate services provided by fire and police departments, utility companies, message and parcel delivery as well as the delivery of mail.

Local volunteer workers anticipate that their portion of work in installing the new system will be completed by the end of August.

TRAFFIC INTO STATE REGISTERS BIG GAIN

SACRAMENTO —(CNS)— Traffic passing California's border quarantine stations during June took a big jump over the recorded count a year ago.

The state department of agriculture reported 2,256,622 passengers in 479,758 California cars, 299,623 out-of-state vehicles and 5262 buses as compared to 1,620,032 passengers in 310,492 California cars, 246,190 out-of-state autos and 4621 buses in June, 1961.

Truckee topped the 400,000-passenger mark, with 423,055, followed by Yermo with 361,398.

Truckee had 163,474 cars, nearly 20 per cent of the total. Yermo, with 125,435 cars, accounted for some 16 per cent of the total.

Microwave, television networks and "Voice of America" stations are located in the San Francisco bay area.

TWO WINNERS — Dr. L. W. Berry, newly-installed president of the California Chiropractic Ass'n., poses with Teddie Jane Darling, of Manteca, who was voted "Miss Perfect Posture of California" in annual contest to stress relation of correct posture to good health.

EMBLEM CLUBSTERS RETURN FORM MEET

TAHOE VISTA—Members of the Lake Tahoe Sierra Emblem Club No. 347, attended the state associatio of Emblem Clubs quarterly meeting held in Hayward this past weekend.

Mrs. Florence Brown, charter past president of the local club, presented the civil defense program for clubs of the entire state. Of special interest to Mrs. Sybil Anderson, financial secretary, was the budget planning session while Mrs. Alysmae Schultz, president, found help in suggestions for community service and background information on the American Flag which is the emblem of the association. Mr. Brown and Mr. Schultz, who accompanied their wives on this junket, added an extra bit of fun by taking them to an exhibition of bowling skill by expert Buddy Bomar.

Mrs. Brown continued her civil defense duties by leaving Sunday for a tour of the NORAD installation in Colorado Springs, Colorado, along with 20 other Emblem Club representatives.

GAIN IN SALES TAX NOTED FOR COUNTY

SACRAMENTO —(CNS)— Nevada County, along with 51 others, shared in a gain of retail sales during the first quarter of 1962, as the January-March period set a new record.

"With employment at a record level in California, people had more money than ever before; they were spending it more freely, and at the same time they were making greater use of credit facilities," the board of equalization said.

For the county, retail sales subject to the state's 3 per cent sales tax during the first quarter totaled $5,341,000. This produced $160,230 in the sales tax, or .09 per cent of the state total.

January-March sales in the county climbed 10.7 per cent over the same period in 1961.

For the state, retail sales totaled $5,749,141,000 for the quarter, up 8 per cent from a year ago and 6.3 per cent above the previous record first-quarter of 1960.

Last Freeway Work Starts On Donner

Work has started on construction of the final section of freeway on U. S. 40 in the high Sierra between Sacramento and the Nevada state line, according to an announcement by state highway officials at the Marysville district office.

The most recent stretch of the route to get underway runs from the junction of State Sign Route 20 east to Hampshire Rocks, a distance of nearly seven miles.

The $11,000,000 contract with Fredrickson & Watson Construction Co. and Granite Construction Co. of Oakland is the largest ever awarded in the north valley-mountain highway district. At the present time it is estimated the project will be completed by the end of 1964.

Other freeway construction includes the five-mile section immediately to the west of this newest job and extending to near Emigrant Gap, and the 10½-mile summit crossing north of the present Donner Pass.

The new four-lane facility will feature eastbound and westbound roadways of independent alignments on varying levels with the median between ranging in width from 100 to nearly 1,000 feet. The estimated 2,200,000 cubic wards of roadway excavation will be practically all solid granite and other kinds of very hard rock.

Interchanges will be located at Indian Springs Road, Cisco Grove and Hampshire Rocks. Five of the nine bridges over the Yuba River are required due to the alignment being limited to the canyon proper. In some places the river and frontage road will be located in the median.

Most of the existing two - lane highway will be preserved and resurfaced to provide access to summer homes and recreational areas.

K. C. Jones of Live Oak is resident engineer supervising construction for the state division of highways.

SUES OVER CONTRACT

AUBURN — James Barkley, a band leader, has filed suit against William Newsom for $10,600 charging breach of contract over employment of his band at Olympic Village Hotel this summer.

FLOAT WINS

A float in the July 4 Nevada City parade, depicting the Donner Monument which is an historic symbol here, was entered by the Nevada City Fire Department and won a prize of $75 for its sponsors.

Booster Group For Region Is Formed

SQUAW VALLEY — A new organization, formed to advance Squaw Valley's new image as California's only year round state park recreational facility, and also aimed at inviting conventions to use the state park for their programs, was incorporated July 1 and has set up offices in the Blyth Memorial Arena.

James McCafferty, a resort-motel owner of Tahoe City, was elected to head the new group. Other organizers are Clarence Richard, a resident of Oakland, and co-owner of a Squaw Valley resort; Ivan Tofft, a Donner Lake resort owner, and Fred Schultz, manager of the Lake Tahoe-Sierra Chamber of Commerce.

The new bureau immediately started its activities by welcoming Albert Portune and Les McCullough to their new offices. Portune and McCullough are executive officers of the Radio Church of God, who will hold a convention in Squaw Valley this coming October, of more than 6,000 persons.

Jack Domerque, manager of the Pacific Telephone Co., told of plans his company had for establishing a complete message center for the convention's use. He met with Portune and McCullough during a refreshment break in the area-wide tour at the University of California Alumni Center in Tahoe City.

Following the more than 100 mile tour, Portune and McCullough and their families were guests at a reception in the Squaw Valley Inn. This party was sponsored by leaders of the new convention organization, and was attended by representatives of the Squaw Valley State Park, William Newsom the concessionaire who operates the park facilities, William Briner, chairman of the Placer County Board of Supervisors, and many resort operators of the area.

The reception featured barbecued venison, hors d'oeuvres, prepared by Sandy Poulsen, and thick steaks were served for dinner.

During dinner William Newsom announced that his company had just signed agreements with the Lutheran Church to hold a convention of over 3,500 persons at the Squaw Valley State Park in June of 1963.

TRUCKEE-DONNER CHAMBER OF COMMERCE

Much credit for the show's success was due to the mistress of ceremonies, Betty Stoddard of Reno who appeared courtesy of KOLO-TV Channel 8. Betty has an afternoon show which is widely followed throughout the area. Thanks from the Women's Club to Betty.

Alma Guth and Eunice Henriksson of Tahoe City tied for best dressed woman. Judges for the award were Eddie Dillon, John Maloney and John F. Kennedy. Yes, John F. Kennedy. However, his residence is Riverside and he and Mrs. Kennedy were vacationing at the north shore.

Seated at the Women's Club table were president, Mabel Coulter, treasurer; Dorothea Whitley, vice president; Louise Walter, chairman; Pearl Kientz, publicity; Bethel Van Tassel, Ann Dolce, special guests, Betty Stoddard and Shirley Stookey of Reno and a brave man—John Maloney; guests, Virginia Schilling of Reno; Liz Carrol of Truckee; Barbara Zorich, Soda Springs; and society editor of the Reno Gazette, Florence Burge.

Thanks to Edward Malley, III and Chris Felte for their assistance on stage, as well as to those who supported and attended the show.

Happy birthday to Minne Wagner of Kings Beach who celebrated her natal day on July 8. Dinner with husband, Frank, and daughter and her husband, Shirley and Stanley Hulse celebrated the occasion.

Alice Garrett has joined husband, Dick, at their Tahoe Vista trailer park for the summer. Alice came up from their winter home at Pear Blossom after a trip to Missouri.

Happy birthday on July 13 to Bruce Jacobs who is spending the summer with his family at Tahoe Vista.

Surprise visitor to Mrs. Wiley Jones at Brockway last Friday was her son, Jack Shaver of Fort Lauderdale, Florida. Jack is a salesman for commercial planes and was delivering a plane from Florida to San Francisco and landed at the Carson City airport from whence he came to Lake Tahoe.

Jack's brother, Don and wife, Ethel, of Lake Forest joined the family for the first visit together in over six years.

Mrs. Ethel Schmeiser and Mrs. Florence Ferrario of Sacramento and Mr. Leo Wallace of Fresno, Churchill and Frances Simonson and daughter, Jayne, her husband and four children from Center Valley, Pennsylvania, were guests of George and Dean Phillips at Tahoe Vista last week.

HARRAH'S DEBUT — Mitzi Gaynor, great all-around entertainer who has smashed attendance marks with her nightclub act, is making her Harrah's Tahoe South Shore Room debut through July 26. Featured also in the show are the Volantes, ace unicyclists.

Happy birthday to Stephen Salpzen who was four years old on July 12. Stephen and his mother, Pat, are visiting William and Helen Howe at Tahoe Vista, grandparents.

All had dinner at the Christmas Tree to celebrate George's birthday on July 12. Joining the celebration from Reno was Guy E. Griffith. Happy birthday, George.

Otto and Louise Walter of Brockway are entertaining Louise's niece and her husband, the Charles Giovanettis of Santa Rosa. The foursome attended the Lena Horne show Saturday night which they greatly enjoyed.

Guests of Don and Nelle Barkhurst at Brockway were Mrs. John Nassela and daughter of Atlantic City, N. J.

Visiting the Barkhursts last weekend were Larry and Peg Ludlow of Roseville. The Ludlows were former residents of Tahoe Vista where they for many years operated a resort.

Guests of LaZelle Morley at Tahoe Vista were her son, Donnard Olsen and his wife, Shirley and baby daughter, Kim, of Woodland.

Mel Throop of Brockway is home convalescing after major surgery at St. Mary's Hospital in Reno. Mel is a member of the realty board and associated with the M. H. Dodd Company in Kings Beach. Although confined to his home, he is actively participating in his business by telephone.

Wife, Carmel, is an artist and exhibited at the Truckee art show. She is also a member of the Carson City Association of Artists.

Attending a meeting at the home of Tom and Hazel James at Tahoe Vista to discuss future convention business were Bill Elliott, Fred Schultz, Bethel Van Tassel, Clarence Richards and Jim McCafferty.

Luncheon at the Kings Beach Bowl was held to acquaint Albert Portune and Les McCullough of the Radio Church of God with the north area. Attending the luncheon were Tom James, Helen Elliott, Al Burghardt, Ben Ferrari, Don Beck, Dick Pearson, Bill Morrill, Velda Farris, Bethel Van Tassel, John Ballard, Will Newsom, Sr., Clarence Richard, Fred Schultz and the guests. Following the luncheon a tour of the area was provided for the guests.

Coming from Reno to attend the Women's Club fashion show were Chery Luce and Kay Menante and from Carson City, Judy, Mary K, and Joanne Graves.

Mrs. Louise Hills of Southgate is visiting daughter, Betty Vance, at Kings Beach.

Dewey Hamilton of Yuba City is vacationing at her summer home in Kings Beach. Miss Georgia Carden of Chico is her house guest.

Harry Hooper and Dave Solari of Kings Beach and Warren Tinsley of Marysville spent the weekend at Honey Lake Ranch in Nevada.

Women's Society of Christian Service met at the Incline Beach home of president Pearl Draney on Wednesday night. The plans for a rummage sale were completed with the dates set for July 20 and 21 at the building owned by Pappy Brooks across from Town and Country Variety in Kings Beach. Vera Moser is in charge.

Following the business meeting a baby shower was given for Pat Leathers of Kings Beach.

Present were Alice Hall, Eda Judy, Frances Tompkins, Margaret Allen, Ruth Mizner, Ruth Kindred Beverley Gregg, Norine Marx, Ruth Murphy, Vera Moser, Faye Dean, Louise Anderson, Louise Walter, the hostess, Pearl Draney and the

Our little blushing bride *blushed* because her stove was the *saddest sight* in seven states. Small wonder. She used to cook on a so-called "flameless" (but not *blameless*) range. Boil-overs, caused by *Hangover Heat*, were a constant problem. Poor dear wore her hands and temper raw cleaning up unsightly messes caused by coils that were still *"hot"* when they were *"off."*

Then she switched to wonderful GAS! Boil-overs *banished forever!* She had *1001 different heat settings* at her command. GAS is *on* and *off* — instantly.

We've cooked up a special *bonus buy* on a direct factory purchase. You'll save a *fat $20 bill* if you buy this new GAS range *today.*

So first things first. In my column last week it was remarked that interested parties with a water problem contact Mildred Johnson for a possible meeting. Since many things have come up in the last week, including a better water supply, it was brought to my attention that the line of least resistance be followed. Two years ago when this area was put under the public utilities commission and a raise in rates, it was stated at that time that any failure in service should be reported to this commission. There are broken lines and people on dual lines. Anyone knowing of these conditions should contact the Public Utilities Commission, Ferry Building, San Francisco, California.

* * *

Second in line is another warning of the hazards encountered almost every day on Donner Lake. Skin divers are all over the lake and without the proper precautions. Thank goodness it was a sail boat we were in last week when we actually ran over one of these people. No warning signal was posted to indicate this man was under water when we were upon him. Had this been a speed boat the results would have been much worse than just frightening him and us.

* * *

Anyone reading this paper and does not read Summit Scene is missing a delightful treat. Fran is one of the cleverest writers around here and of course being a little prejudiced as she gives our little ole auxiliary these nice little plugs. We love you Fran, and thanks for your nice hospitality.

* * *

A very clever and unusual going away party was held last Friday night for Mary Wheeler, one of our young riding enthusiasts. Mary is moving to Long Beach and her riding buddies in the names of Julie Knoff, Sandy and Sara Van Sickle, Glenda Stark, Sherry Borden and Diana Pankoke got together for an overnight camp out in Martis Valley. They all rode horses to the point of camp, cooked breakfast and really had a ball, presenting Mary with a remembrance of a stuffed animal and of all things, bath soap. The girls tell me the soap is not really a going away gift, but after sleeping with the horses overnight felt it would be better to send her off sweet and clean. A really happy gang of kids, believe me.

* * *

Cute little Bobby Jang from the Donner fruit stand is having herself quite a time of it these days. She is entertaining her sisters children from Canada for a month, and with her own little clan she has had her hands full, but loves it.

* * *

Mr. and Mrs. Fred Johnson could be called the constant host and hostess this summer, as it seems they always have a house full of out of town guests. This last week Fred and Mildred had aunt and uncle from Washington, Pennsylvania, Mr. and Mrs. John Anderson. Mill tells me she hasn't seen them for many a year and it was quite a pleasant surprise.

* * *

Tamarack Ski Lodge was occupied this week with old friends of Hap Warneke, Jim and Elinore Jackson. They have friend with them and are enjoying the summer retreat for a change instead of the snow.

* * *

The west end of Donner is always swarming with people on the weekends and since son David is constantly buying gas for the boat down there, I decided to get in on some of the goings on. While there I met Evelyn McQuarry and family and was happy to hear her mother Mrs. Marie Roberts from Concord is here to stay. She apparently really means it this time as she brought her bedroom set along to prove it. Nice having you, Mrs. Roberts.

* * *

Sometimes it is a little difficult to figure out some of the things people do. Saturday afternoon while our family walked along the highway a group of people left the coffee shop and in so doing deserted a darling cocker spaniel dog. That poor dog was frantic running back and forth across the road, nearly getting hit many times and causing a hazard to drivers. This is done so frequently in this area and eventually someone up here must dispose of these animals one way or the other. If disposing of litter on the highways is controlled by law could this possibly be under the same category of deserting animals?

* * *

The regular meeting of the Donner Lake Fire Department Auxiliary will be held tonight at the Bird and Bottle. Since the barbecue and boat races have been changed this year, Janet Franklin our president would like a good attendance to discuss coming events. Gertrude Gilson and Mary Ellen Maxie are the hostesses for the dinner meeting at 7:30.

* * *

Larry Reid is back to work at Builders Service Center after an extended vacation visiting relatives in Los Angeles.

* * *

Going by the Anthony St. Claires last week it looked as if all of Donner Lake and Truckee was parked in front, but Claudia tells me they were hosts for the Lions premeet.

Remember- only YOU can prevent forest fires!

MOTORISTS CONFUSED BY WARNING LIGHTS

On the highway, a red light still means stop, and an amber light still signifies caution.

"Some motorists apparently are confused when they see warning lights on parked California Highway Patrol cars," Commissioner Bradford M. Crittenden said.

"The flashing amber light, which Patrolmen use when hazards exist near but not upon the roadway, calls for extreme caution by passing motorists. It does not require a full stop. Frequently unnecessary congestion develops because motorists come to sudden stops on approaching the flashing amber light.

"The flashing or steady burning red light seen on a halted patrol car, however, indicates that an extreme hazard is imminent—probably blocking all or a portion of the roadway. The red light indicates that traffic should be prepared to make a full stop, or will be required to proceed only as directed.

"Specific restrictions apply to use of both red and amber lights by patrol vehicles. Motorist awareness of the meaning of each will serve to smooth traffic flow and reduce hazards to other drivers," the commissioner said.

Australian coal was used to manufacture San Francisco's first gas.

SLOW DRIVERS WILL BE PATROL TARGET

The California Highway Patrol will accelerate its enforcement emphasis against motorists who impede traffic by driving too slowly in the left-hand lane of multi-lane highways.

Commissioner Bradford M. Crittenden said the campaign is in response to a legislative resolution passed during the 1962 session states that failure to observe the law which requires slower moving vehicles to keep right "constitutes a major contribution to the high death toll and ever increasing accident rate."

The resolution also directed the patrol to take the necessary steps to ensure enforcement.

"The law provides that vehicles moving slower than the normal flow of traffic shall be driven in the right-hand lane or as close to the right-hand edge of the road as practicable, except when passing other vehicles, or in preparing to make a left turn," the commissioner said.

"Thus at any speed short of 65 mph maximum limit, you should not cruise in the left-hand lane if other vehicles are moving faster than your car.

"One simple method of determining if you should move is: When cars are passing on your right, you're wrong. Move to the right and let faster traffic pass to the left," the commisisoner said.

150 ADULT CRIMES IN COUNTY REPORTED

SACRAMENTO—(CNS) — There were 150 adult felony crimes reported in Nevada County in 1961, with 111 arrests resulting.

The arrests, by the nine felony categories, included: homicide, none; robbery, none; aggravted assault, 8; burglary, 43; theft, 8; auto theft, 14; forgery and checks, 18; sex offenses, 7; narcotics, none; and all other, 13.

These statistics were included in a report by Attorney General Stanley Mosk on crime in California during 1961. The report showed a 1.4 per cent decrease in the 1961 crime rate over 1960.

The seed of the inland red cedar is about ⅛ inch in length.

Extended Phone Work Is Started

Work is being rushed to install the telephone equipment needed to eliminate long distance charges for phone calls between Brockway, Tahoe City, Truckee and Homewood, Pacific Telephone Manager J. C. Domergue said today.

The work, which involves engineering and installing new telephone cables and central office switching equipment, will take an estimated one year, Domergue said.

On June 12 the California Public Utilities Commission approved the phone company's application to eliminate the charges. The commission ordered the changes made by June of 1964.

The changes will include:

1. Consolidation of the present Brockway and Tahoe City exchanges into one exchange to be called "North Tahoe." This would eliminate long distance charges between Brockway and Tahoe City.

2. Elimination of long distance charges for calls between this new North Tahoe exchange and the Truckee exchange.

3. Elimination of long distance charges for calls between the Tahoe City area and the Homewood exchange.

Basic monthly phone bills will rise slightly in the affected exchanges when the changes go into effect to offset part of the loss of revenues from the long distance charges. The raises, set by the commission, will run from 15 cents per month to 35 cents per month for residence service, depending upon the location and type of service.

Domergue said none of the changes can go into effect until the equipment is installed by summer of 1963.

NEVADA MAY DROP BI-STATE PARK PLAN

CARSON CITY — Nevada may abandon its plan to join with California in an effort to create a bi-state park at Lake Tahoe and attempt to obtain park facilities on its own.

Opposition to the proposed joint state park commission was expressed Monday at a meeting of Nevada's park compact drafting committee. The group voted to take the problem to the legislative commission August 17 for advice before any more negotiations are held with California.

MAN CAUSED FIRES INCREASE IN FOREST

NEVADA CITY — Despite the fact there have been only about half as many forest fires to date on the Tahoe National Forest, man caused fires have increased over last year's total.

According to forest dispatcher Ernie Cummins, by the end of June last year there had been 43 forest fires, 31 of which were lightning caused fires and 12 man caused by carelessness. To date this year there have been only 15 fires but 10 of these were started by fishermen and campers.

Much of the low incidence of fires this season is due to late snow in the upper reaches of the mountains which made it impossible for hikers and campers to get into the back country. The balance of the good record to date is due to the lack of storms that cause lightning.

With the advent of conditions in the high reading and above, forest fire patrols are beefed up all along the line.

The forest has 16 lookout towers in its seven ranger districts. There is one new 25 man crew in Hobart Mills near Truckee this year.

DEATH SUIT

AUBURN — Patricia M. Turner has filed a lawsuit here to collect damages for the death of her father in an accident near Donner Summit in 1955, charging that Daniel Martin, driver of the car, was intoxicated. She seeks $50,000.

Hop vines are planted 7½ feet apart, rising on vertical strings to an average height of 20 feet.

Each ranger district has a tanker truck and other equipment manned by a regular three man crew plus other manned complements under varying conditions.

SUMMIT SCENE

By FRAN COUILLARD

The Donner Summit American Legion Post No. 811 finished up its last business meeting in a big whirl with the following voted in to hold the following offices:

William Vandergrift (Soda Springs Garage), commander; Bert Barber, (D. S. L.'s right handy man man and bartender for a long period), adjutant and finance officer; Walter Sittre, (Sugar Bowl), first vice commander; Milton Avila, (Glacier Gap Lodge), second vice commander; Paul Norboe, (now of Grass Valley—but a long time well knowner of Soda Springs), third vice commander; Elmo Moriano, (Beacon Hill Lodge), again nominated for service officer; William Vail, (Soda Springs Service Station), chaplain; Edvi Aro, (Aro's Chalet), historian; Leo Quinn, (state division of highways—presently a Dutch Flatter—but ultimately a Kingvalite in his new home on the highway maintenance property — (and a lovely home it is to be), sergeant at arms; Eli Carder, (Mountain Shop), judge advocate.

These public spirited gentlemen will be installed at Beacon's annual festivities for this occasion—which starts off with a bang up buffet and cocktail party on August 25 which will be followed by the post's annual barbecue held in the "back yard" of Beacon Hill Lodge on August 26.

And before the above occasion is highlighted — don't forget our regular Donner Community Club barbecue at Big Bend Ranger Station—which will be celebrated on August 5. And again—bring your check books—it's dues time.

So it looks like August will be "Cook Out" and "Gourmet" month.

We dislike saying "Bye-Bye" to Fran Merlyn of Donner Summit Lodge—who has been that institution's good chef for such a long period. But under that blonde hair beats a brain that has more in it than good recipes. Fran, a former state employe — has been called back to her former state job and she is hithering herself to Sacramento with a regretful backward look at her pots and kettles.

Sheep grazing time. See Bob Blackford who traces for us his circuitous route on a forest service map with his huge band of sheep into the back country for fattening up before shipping time. We realize thoroughly how long we have been in this country when the "sheep men" come in. We remember going to camp fire dinners with Bob's father years and years ago — when the sheep shipping business was as romantic as a gypsy band in the neighborhood. In those days when the "sheep are coming time" was due—the area took on a gala air.

The colorful Basques who were the "official" sheep tenders moved in with a cloud of dust and sheep dogs barking. Camp fires glowed on the hillsides and the local were invited to join in the activities. Barbecued meats such as you've never tasted. Good wines—song, laughter. After the fattening up period — loading cars backed up into the railroad sidings their doors lining up with the chutes where the sheep were loaded from the corrals. With whooping and hollering and prodding the animals were urged up the chutes into the cars.

Sheep loading was always a "dirty" day with the air dense with dust—but it was fun. The buyers who sat on the railings of the corrals with their pads and pencils—wore high laced boots and Stetson hats—and the telephones of Soda Springs were kept busy—as the buyers and their representatives — checked the market for prices. After the loading which started at the crack of dawn—the sheepmen "let down their hair." Lambs now fattened, sold and shipped. They would bring their whole crew into one of the lodges—where the "let down period" went into full swing.

A real "sheep herders" breakfast would start being served sometime in the early afternoon—and said breakfast would usually last for several hours. The groaning board would wobble under huge stacks of hot cakes—bacon, ham, eggs and breakfast steaks. Piles of fried potatoes—stacks of toast and the pitchers of ever present wine for the Basque boys. Oh—those were high old times. And with young Bob's appearance the above description of the old days makes us a little nostalgic.

And speaking of the "Back Country." These places where sheep used to graze. We, who live on the highway—are getting used to such names as "Camp Deer Lake"—which is a romantic name for the land that has been taken over by the Girl Scouts of Contra Costa County, and Cascade Lake—where we used to fish and wherein we swam—as a kid, now is proudly possessed by the San Juan School District of Sacramento.

Big fleets of yellow school buses—travel on the highway each week bringing up flocks of kids (instead of sheep) and said youngsters are deposited in their very own school district's camp — known as Camp Arcade. The string of yellow buses are reminiscent of street cars. (No kidding-) We tried to get Jim Winthers on the phone to tell you the capacity of this huge camp—and the reasonable amount that a school can "camp out" in luxury and how many youngsters take advantage of this little Eden in the high reaches of the Sierra—but their telephone line is out of order.

A lot of credit for this camp goes to the aforementioned Jim Winthers who is ski school director of the Soda Springs Ski Corporation in the winter months. We personally know that Jim "sweat out" this project for a long time before it became a dream come true. Anyhow we didn't get him and we'll report further on this Children's Paradise in the Future.

Of course "back in there" there is Camp Pahatsi — the Boy Scout Camp of Placer County. As we are now on the "by way" that leads into these little children's cities—and are inundated by groups of youngsters now and then—we are, naturally, interested in these "out posts" which are trying to answer problems of what is termed delinquency. We see the older ones that work hard to make these dreams a reality. The Auburn "contingent" of workers is mighty and strong. Understand that Pahatsi has a new tile floor, a new water heater — and oodles of repairs have been accomplished by hardworking and interested groups —"for the kids."

The Santa Cruz Ski Club — a mighty, strong and huge building that squats between Forty and the new Donner Freeway—donated it-

Roger Kahn, young son of the Herb Kahn's of the Highlands, is a visitor this week at the World's Fair in Seattle. Roger was accompanied by his grandmother, Mrs. Corinne Goldsmith of Los Angeles.

* * *

LITTLE LEAGUE NOTES: Among the winning pitchers last week were Bob Sampson of Truckee, Ernie Marier and Randy Sprague of Tahoe City. Bob Sampson also was a home-run hitter of the week. Others who homered were Ronnie Walker of Truckee and Rocky Riggs of Kings Beach . . . of great interest to all baseball fans are the broadcasts of the games sponsored by the local Bank of California. The broadcasts are on 1400 on your dial and may be heard at 1 p. m. on Tuesdays and Fridays. Arrangements for the broadcasts were made by the Bank of California's John Trujillo. Adding great interest to the broadcasts is the announcing of Basil Kehoe . . . the Mother's Auxiliary of the South Tahoe Little League served food to the All-Star teams after their first game at South Tahoe Thursday.

* * *

Local directors of the last weekend Tevis Cup Ride were Jay Shontz of Tahoe City and Pat Fox of Squaw Valley. Paige Harper of Sacramento, who was awarded the Tevis Cup for his first place in this 100-mile, one-day event, is well known locally and last year rode a horse owned by Jay Shontz in the same event. Riding drag in the event were Pat Fox and Joan Atwater of Squaw Valley and Helen Hotele of the lake.

* * *

Spending several days boating in the San Francisco Bay last week were Mr. and Mrs. Otis Lyons of Tahoe State Park.

* * *

The Jack Duttweiler family of Sierra Estates is summering at their family home, River House, on the Truckee River.

* * *

Mr. and Mrs. Sal Sinagra of Brooklyn are spending several weeks vacationing with Tahoe City friends.

* * *

A house guest at the Jim Baker residence in Tahoe City is Mrs. Virginia Rogers of Piedmont.

* * *

Observing a birthday on July 14 was Mike Keechler, son of the Ben Keechler's of Dollar Hill. Mike was 12 years old.

* * *

Guests of Jay and Beccy Shontz of Tahoe City for the Tevis Cup events were Mrs. Herman Rauh and family of Sutter and the Randy Steffin family of Auburn. Steffin is the well-known western artist.

* * *

Local Girl Scouts are meeting weekly on Tuesday afternoons at the home of Leader Bea Lyons for arts and crafts sessions. Copper work and lanyard making have been the projects to date.

* * *

Guests at the Dinty Moore residence in Tahoe City last weekend were son and family, Mr. and Mrs. Robert Moore and children, Mike, Mark, Sherry and Chris. The Moore's are from Grass Valley.

* * *

Greeted happily last week by her many friends in the area was former local resident Mrs. Katherine Porter of Oakland. Mrs. Porter was visiting around Tahoe City with her brother and sister-in-law, Mr. and Mrs. Ben Kessler.

* * *

Spending several days in San Francisco and Burlingame this week were Mrs. Warner Phillips, Mrs. Bob Jorgensen, Mrs. Bob Scoville, Mrs. Jack Duttweiler and Mrs. Dave McBride. A highlight of their trip was attending a performance of "Mary, Mary."

* * *

An eighth birthday was celebrated by Richie Baker of Tahoe City on July 17. Richie and his family enjoyed "dinner out."

* * *

Vacationing this week at the home of Mr. and Mrs. Lyle Morris in Concord is Miss Jill Lyons of Tahoe City. The Morris' are former Tahoe City residents.

* * *

Miss Betsy Otto, of San Francisco and a recent University of California graduate, is a guest at the Tahoe Tavern Heights home of Ernie and Hazel Hoxsie.

* * *

The Ralph Kelley family of Sacramento is vacationing at their Tahoe Pines residence this month. They were accompanied by Miss Lynda Otto, also of Sacramento.

* * *

Robin Pecchenino entertained friends at a beach party last Saturday. Robin, the son of Mr. and Mrs. Al Pecchenino of Lake Forest, was celebrating his sixth birthday.

* * *

August 9, 10 and 11 are the dates set for the annual "Thieves Market" sponsored by the Tahoe Squaws. The Market, to be held at the Tahoe Lake School this year will have added attractions of a supervised playground for those who wish to leave their children while they attend and a "Cas-bar," a refreshment stand. Daily hours for the Market will be from 9 a. m. to 5 p. m.

Anyone wishing to donate clean, useable articles for this worthwhile cause may call JUniper 3-3220, LIberty 6-2485 or OLympic 8-3694.

Shucks, fellers, not all these tickets may get sold for the July 25-29 Placer County Fair in Roseville, but anyone who could buy 'em from clerks like this would be crazy not to help the fair set a new attendance mark. The gals are Linda Byers (left) and Donna Schafer, contestants in the Maid of Placer County Contest, to be held opening night. Scores of other entertainment events—nearly all of them free—are slated for the fair.

self to a group of oldsters who had in tow about a dozen mentally retarded children. Said the leader, "I would rather have these youngsters in tow—than a group of teenagers that I know, including my own." We had a little experience with this group that could have been disastrous but turned out just fine.

Jim Porten of the Guy F. Atkinson Compay — was "patrolling" the new Donner Freeway in an official capacity. T'was at sunset. He came into the hotel and reported that he had seen a young girl walking midst the boulders, chasms and gulches of the new Donner Freeway. "She seemed to be a little vague and hid when I called to her," said Jim. Having known of the Santa Cruz Clubs little group we suggested that perhaps one had wandered. And t'was so. Approached by the people she knew — her temporary guardian — she willingly clambered into the Atkinson truck and was taken back to her abode.

being supervised are doing astounding things. And it's high time. My nephew in Sacramento takes a trip to Europe next summer for a supervised tour. This is a school development. The youngsters must make (themselves) —through their own labor—25 per cent of the amount of the trip. Already the plane that is to be chartered is "sold out."

Now that breakfast in America and dinner in a foreign country is a possibility—it seems wonderful to we older ones to whom foreign countries were always so far away) that these young people will receive these opportunities and be able to "tour" with youth in their eyes.

We'll close this up for now by saying that Al Kelley and his family just returned from Disneyland—where they had a fine time. And while Disneyland might not seem as glamorous as the European tour talked of—it takes as long to get there, doesn't it?

So we'll unwind and sign.

DIVOT-DIGGERS

By BETTY KIELHOFER

A wonderful weekend was spent at the Ponderosa with the country club hosting the Grass Valley golfers to a golf match and barbecue on Sunday . . . you may check out the winners on today's front page. Grass Valley always brings lots of players and I believe Truckee has more fun on that day than any other in the year.

The highlight of conversation centers around two men from Grass Valley whose ages totaled 158 years. They play golf daily in Grass Valley and went the full 18 holes there. They were 82 and 86.

Bob Moore asked me to extend his personal thanks to all who helped make it such a wonderful day . . . a great deal of work was done by many of the members whose names are too numerous to mention. Besides, Bob says we might forget somebody and he certainly wouldn't want that.

After eating, several groups went off in scotch-foursomes which really topped off the day. Then they adjourned to Jack and Mike's cocktail lounge at the Alpine Riverside . . . All in all, a great success. There was some frustration among members at the course Sunday derived from not knowing just what their duties were.

It was suggested that we should have it all straightened out at the next scheduled meeting, which will be the first Monday evening in August. This seems to be a good idea as each member who has accepted an office has a definite duty within that office. Some have not been fulfilling their obligations while others are doing far more than they should and neither is good, for somewhere along the line, toes are bound to be 'stepped on.' The result is always ill-feeling.

With well-formed committees and each person doing his or her job, these problems can be worked out. It is well to remember that no person joining the club is obligated to work. Those who volunteer or accept duties when they are asked are greatly appreciated and to my knowledge, no one has ever refused. So far, we have had a very ambitious, hard-working group. Any little troubles that arise are, to my way of thinking, typical of all clubs and can easily be remedied with open-minded meetings.

There were many people who worked hard building the course and many more who took up duties after it was completed. Basically, these were two different groups but they have worked nicely together since and both did and are doing terrific jobs. We have a truly fine thing in the golf course and with the new owners doing everything in their power to make it go, we can really count our blessings.

If you are planning an automoblie vacation trip, the California State Automobile Association offers these suggestions for a more enjoyable and a safer trip: Allow ample time for the trip so you won't have to "push" yourself if you encounter delays along the way. Leave early in the morning and quit driving before dark. Don't try to cover too much ground. It's better to have a short, leisurely trip that a long hectic one. Don't drive when you are tired; let others do some driving. Remember, take it easy and—BRING 'EM BACK ALIVE!

YOUTHS MUST PASS HUNT SAFETY TESTS

Hunting seasons are not far off, 1962-63 hunting licenses are now on sale, but again this year there will be a number of disappointed boys and girls who will miss out on an eagerly awaited first hunting trip.

This warning was issued by the California Department of Fish and Game in stressing the state law that requires previously unlicensed youngsters under the age of 16 to pass a hunter safety course in order to qualify for a hunting license.

Over 3,000 instructors carry on the hunter safety education program throughout California, and many classes are now being formed for youngsters who will be getting that big opportunity to make their first hunting trip with their dads this year.

Unfortunately, every year a few youngsters wait until just before the hunting season opens and then frantically look for a hunter safety instructor, trying to get in a last minute course. Since most of the dedicated volunteers who conduct these courses for the department of fish and game are also keen hunters, they may already be on the way to their favorite hunting ground.

SPECIAL DEER HUNTS IN STATE APPROVED

A total of 35 antlerless and either sex deer hunts were approved Friday, by the California Fish and Game Commisison, making 13,350 permits available for lucky California hunters this fall.

Only three of the 38 antlerless or either sex hunts that were proposed missed making the list, although portions of the North Tahoe, and Western Placer and Nevada hunts located in Nevada County were dropped because of action by the Nevada County Board of Supervisors.

The Casa Diablo and Sherwin Grade hunts were dropped completely because of action by the Mono County Board of Supervisors, and the Sequoia hunt was dropped in agreement with the recommendation of the California Fish and Game.

The Commission also approved the Owens Valley Tule Elk hunt.

ELECTRICITY is your Faithful Servant

Nothing in your home provides more service than your modern electric appliances and nothing gives more satisfaction at such low cost.

You press a switch and your clothes are washed and dried—your dishes washed—your cooking is done—your television gives pleasure and relaxation—your home is well lighted—hot water is always available and your home is kept comfortably air conditioned.

Best of all, compared to other commodities, electricity is cheap—use more of it.

Dates of the Sierra Bible Chapel Vacation Bible School will be August 13 through 24. The theme this year is Patriots for Christ, one of universal interest. Much preparation is being made to offer each child a book of his own as well as individual handcraft to take home. Bible stories will be seen as well as heard and the practical application made on each age level. Many new choruses will be learned as well as some of the great hymns of the faith reviewed.

The material used is evangelical and nondenominational, published by Scripture Press which serves many denominations that specialize in teaching the word of God on every age level. There is no charge for this school; an offering will be taken each day for those who wish to give.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Sunday School, 9:30 a. m.
Morning Services, 11 a. m.
Wednesday evening meetings will be held the third Wednesday in the month, during June, July and August.

The eternal nature of true beauty and goodness will be emphasized at Christian Science church services on Sunday.

Opening selections from the Bible in the lesson-sermon on "Life" will include these verses from Psalm 36: "How excellent is thy lovingkindness, O God! therefore the children of men put their trust under the shadow of thy wings. They shall be abundantly satisfied with the fatness of thy house; and thou shalt make them drink of the river of thy pleasures. For with thee is the fountain of life: in thy light shall we see light."

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (p. 246): "Life is eternal. We should find this out, and begin the demonstration thereof. Life and goodness are immortal. Let us then shape our views of existence into loveliness, freshness, and continuity, rather than into age and blight."

NEW OFFICERS FOR FOUNDATION
A. E. Stevens (left), newly elected president of the California Traffic Safety Foundation; and Harry L. Bright (right), new 1st vice president, meet with Governor Edmund G. Brown. Other officers elected were James T. Blalock, secretary; and Donald Still, treasurer. The California Traffic Safety Foundation is a non-profit group designated by the Governor as the official citizen's support organization for traffic safety in California. The new officers will lead the Foundation for one-year terms.

Although Fort Mason at San Francisco was set aside by presidential proclamation in 1850 it was not until 1863 that it was occupied by U. S. troops.

UNEMPLOYMENT LESS THAN LAST SUMMER

Civilian employment in California this June was higher than in any previous month and unemployment was below a year ago, two state agencies reported.

Total employment advanced to a record 6,311,000 in June, a gain of 69,000 from May, John F. Henning, director of industrial relations, reported. The prior all-time employment record was set in September, 1961, when 6,303,000 persons were at work.

Henning pointed out that new all-time employment high was reached in spite of the labor-management dispute that disrupted the northern California construction industry.

Compared with a year ago, 131,000 more Californians were at work this June, an advance of 2.1 per cent.

Unemployment in California, according to Irving H. Perluss, director of employment, was estimated at 432,000 in June, or 6.4 per cent of the labor force. This was well below the year-earlier level of 494,000 or 7.4 per cent of the labor force.

The California civilian labor force, consisting of the employed and the unemployed available for work and seeking work was 6,743,000 this June, compared with 6,674,000 in June, 1961.

Capital Man Wins 100-Mile Horse Trip

AUBURN — Paige Harper of Sacramento was awarded the Tevis Cup Sunday night for superior horsemanship during the grueling 100 mile one day ride from Lake Tahoe to Auburn.

He was one of 25 riders finishing the ride over an old emigrant trail leading from Tahoe City to this foothill community. Six entries dropped out along the trail.

Harper, riding a 810 pound Arabian gelding, received the top award although he finished third across the finish line on the Auburn fair grounds with a total elapsed time of 17 hours and 50 seconds. Drucilla Barner of Auburn, last year's winner, was second.

Partick Fitzgerald of Reno, Nevada, and Wendell Robie of Auburn came in ahead of Harper but their horses were disqualified by veterinarians because of the animals' physical condition.

The riders left Tahoe City at 5 a. m. Saturday. Fitzgerald had the fast time of 17 hours and eight minutes. This year there was a minimum of 17 hours or disqualification.

CALIFORNIA TOPS 17 MILLION MARK

SACRAMENTO — (CNS) — California topped the 17 million mark in population on July 1, after gaining 641,000 persons in the previous 12 months, the state department of finance reported.

The department estimated July 1 population at 17,094,000 persons, and growing at the rate of more than one person a minute — or nearly 1,760 persons a day.

The state's phenomenal growth of 1,377,000 since the April, 1960, federal census means that California accounted for one-fifth of the population increase for the entire United States during that period of two years and three months.

The department estimated population in California would gain another 594,000 to total 17,688,000 by July 1 of 1963.

LENA HORNE WILL BE HARRAH ATTRACTION

Lena Horne is the latest big name entertainer added to the lineup of star performers bound for Harrah's Tahoe South Shore Room this year.

Bob Vincent, Harrah's entertainment director, announced today Miss Horne will appear October 11-24. Signing of the famous songstress fills out the South Shore Room schedule through November 28.

Current headliner in the South Lake Tahoe theater restaurant is Mitzi Gaynor, who will appear through July 26. Others booked for 1962 are: George Burns and Carol Channing, July 27-August 9; Jack Benny, August 10-19; Liberace, August 20- September 5; Jimmy Durante, September 6-26; Guy Lombardo, Sept. 27-October 10; George Gobel and Louis Armstrong, October 25-November 7; Ethel Merman, November 8-28.

NAME IS SELECTED FOR HEALTH GROUP

The board of directors of the Tuberculosis and Health Association of Placer-Sierra-El Dorado-Alpine has adopted a new name for their four county association. It was voted to change the name to Tuberculosis and Health Association of Emigrant Trails.

The counties formerly maintained separate associations. In the interest of economy and efficiency, mergers were considered. Sierra County joined Placer last year and El Dorado united with them in the spring. Alpine, which has been without an organized association for some years, became a part of the new area in June.

Tuberculosis and Health Association of Emigrant Trails was chosen by vote of the board of directors as being descriptive of the area which the four counties cover.

COVERED WAGON ON HIGHWAY 50 JUANT

Covered wagons and stage coaches are rolling this week on a five-day trek from Zephyr Cove, Lake Tahoe, over the Echo summit route to the historic town of Placerville, where the event ends Sunday, July 22, with a big celebration and parade.

This caravan from the past, the 12th annual Highway 50 Association Wagon Train, started from Zephyr Cove Tuesday, under command of Wagon Master Harold Cummins of Sutter Creek, and escorted by pioneer outriders, the Kit Carson Mountain Men of Amador County.

The train brings to life again the days a hundred years ago when this route, then the Placerville-Carson road, was the greatest wagon road of the west, the supply line to the fabulous silver mines of the Comstock Lode. It re-enacts, too, the days of the emigrants, the forty-niners and the Pony Express that travelled over this summit, then known as Johnson Pass.

SON ARRIVES

The baby of the week born at Tahoe Forest Hospital is Leif William, son of Mr. and Mrs. Earl Ellisen of Kings Beach. The infant arrived July 17 and tipped the scales at 6 pounds, 8¾ ounces.

Mrs. Paul Van Vliet said that his mother, Mrs. Sam Van Vliet of Pella, Iowa is continuing to have a high morale despite a recent injury in a fall. The senior Van Vliets were visitors here last year with their family.

See Fair—

After several wonderful days at the Seattle World's Fair, Mrs. Don Ryan returned to her position at the Alpine Riverside Hotel. She was accompanied north by Mrs. Fernandiaz and children of Santa Ana.

Sardis In City—

Mr. and Mrs. Eddie Sardi, well known in Truckee, have left Reno to return to their home at San Francisco.

Returns After Illness—

Mrs. Georgia Follett has returned from Ukiah where she visited with her son and daughter-in-law, Mr. and Mrs. Marion Follett while recovering from an illness.

At Kingvale—

Summering at the Kingvale home of George Kalleg are his son-in-law and daughter and children, Mr. and Mrs. Val Rebhahn and two other couples, Mr. and Mrs. Henry Vonhusen and Mr. and Mrs. Hans Fern, formerly of West Germany, all now living in San Francisco.

Newcomers Here—

Newcomers to this vicinity are Mr. and Mrs. Don Halcomb from San Jose who are planning to build a new home here. William Mills of the Truckee Colonial Mortuary is a nephew of the Halcombs. Halcomb was a recent patient at Tahoe Forest Hospital shortly after arrival.

Five Fires Fought In Truckee District

Five incipient fires occurred Tuesday, one man caused and four by lightning. The helicopter and suppression crew of the forest service and members of the California State Park held all to a minimum.

Lightning struck forcibly on the hill back of Donner State Park and near Independence Lake, at Bennett Flat and Sawmill Flat in the Martis Valley area.

At 9:30 a. m. a man caused blaze was spotted on the new construction of the freeway, across from the state park, which was quickly quelled according to Henry Toccalini of the Tahoe Forest Service, Truckee.

Approximately 12 valuable hours were saved after three lightning fires threatened the forests, following last Wednesday night's storm when the fire suppression crew of the Tahoe National Forest, Truckee District, were ferried by helicopter into the affected areas.

Two small blazes near Twin Peaks, west of Lake Tahoe and one at Shanks Cove near the Hell Hole vicinity were put out with no damage.

Harold Hjertager is the pilot on duty with the Aetna Helicopter, Inc., Hiller 12 E from Etna, California.

MAN JAILED, OTHERS INJURED IN MOTOR MISHAPS IN REGION

Clarence C. Rhodes, 52, was booked for violating the county sobriety ordinance last Wednesday after his car left the highway near Observation Point and was wrecked. Patrolman Dan Davis made the investigation and after being treated for lacerations, Rhodes was booked at the jail.

Iva Hendrickson, 46, Richmond escaped serious injury when her car hit loose rocks on the highway near Boca and crashed into the guard rail at 6 a. m. Patrolman Glen Virus investigated the mishap.

Two youths were injured Saturday when a car operated by Frank A. Joiner, 18, Los Angeles overturned five miles south of Tahoe City on Route 89. Howard Martin, 18, Hawthorne, Nevada, was a passenger in the vehicle. Patrolman Carroll Maynard was called to investigate.

None was injured Saturday at 2:50 p. m. when cars driven by Verdria Kuttell, Truckee and Daniel Rechenmacher, 16, Reno, collided on High Street in Truckee. Mrs. Kuttell was cited for being on the wrong side of the center line. Patrolman Martin Sturcke investigated.

A water sprinkler was blamed for an accident at Tahoe Vista Saturday evening when cars driven by Nelson E. Westerhout, 51, Oakland, and Adeline Gunkel, 20, Tahoe Vista, crashed when the spraying water covered the windshield of the Gunkel car. Fran Williams, 79, and Mrs. A. Williams, 76, both of Emporia, Kansas, passengers in the Westerhout car, suffered minor injuries. Patrolman Edward McCallen made the investigation.

Mrs. Marjorie N. Wall, 26, Sparks, lost control of her car near the Flycasters Club Tuesday and was taken to the Tahoe Forest Hospital with serious injuries after the vehicle skidded 720 feet on the wet pavement and plunged off the embankment. Her three young children in the car escaped without serious injuries.

Mrs. Wall is a teletypsetter for the Nevada State Journal and had been on a vacation.

MEETING CALLED

A meeting will be held at the Truckee Fire House on August 21, 8 p. m. for the purpose of forming a local art organization. All interested parties are urged to attend. An interesting evening is planned and refreshments will be served. For further information call LU 7-3097 or LU 7-3428.
